Sub:-Release of 5 acres and 3 guntas of land in Survey No. 17 of Manchanayakanahalli Village, Bidadi Hobli, Ramanagaram Taluk included in Kumbalgud State Forest for temple and Middle School

The Chief Minister, Government of Mysore, during his tour in Ramanagaram on 23rd December 1955, issued the following instructions:-

1. The grant an extent of 2 or 3 guntas to Sri. Anjaneyaswamy temple and the archak allowed to plant flower plants for the use of the temple.

2. The ~~land~~ ~~officer~~ land along the right side of the Bangalore-Mysore Road and which is outside the railway boundary may be given to Bidadi Middle School.

3. The local officers have reported that an extent of 3 guntas of land to the right side of Sri. Anjanayaswamy temple which has been planted with flowers plant by archak and the extent of 5 acres proposed for the Middle School at Bidadi is included in the forest and this extent may be caused to be released.

The Chief Conservator of Forests in Mysore, Bangalore, who was consulted in the matter, intimated in his letter No. B3-84-700/57 dated 21-8-59 (copy enclosed) stating that the extent of 5 acres required for the Bidadi Middle School is included in Kumbalgud State Forest Extension block of Ramanagaram Range and while the extent of 3 guntas proposed to be granted to the Archak of the temple lies outside the above State Forest but within the buffer zone of 110 yards margin of D line. OFFICE OF THE DEPUTY COMMISSIONER,
Bangalore District, Bangalore,
Dated the 28th Novr. 1960.

To

The Divisional Commissioner,
Bangalore Division, Bangalore.

Sir,

Subject:- Release of lands in S.Nos. 17 and 19 of Manchanahally, Ramanagaram Taluk for the benefit of the School and temple at Bidadi and Basavanapura respectively.

Reference: Your letter No. Cl. 9437/59-60 dated 29-10-1959 on the above subject.

With reference to the above, I write to state that an extract from the I.L. Register and a sketch showing the location of the School are enclosed. The temple in question is a private Institution managed by Shri. V. Sampath Proprietor, Kaveri Lorry Service Mandya. S.No. 19 out of which 0-3 guntas is proposed to be granted is a hiduvali land ^{standing} ~~stating~~ in the name of Shri. Hanumiah. So the grant of lands to the temple may kindly be dropped. S.No. 17 is a kharab land with an extent of 17-20 ^{a 2} out of which 7-8 ^{a 2} has been utilised for the Railway and the balance of 10-21 ^{a 2} is under the control of the Forest Department. The Chief Conservator of Forests in his letter No. B3.84.709/57 dated 21-8-59 (Copy enclosed) has intimated that he has no objection for the release of 5 acres to benefit of the Middle School at Bidadi. This extent has to be granted to the Middle School under Rule 43(D)(3) L.R.R. on the conditions laid down therein. The Assistant Commissioner recommends in his letter No. LND. 222/dated 18-6-60, that the extent of 5 acres may be sanctioned to the School and the question of 3 guntas in S.No. 19 for the temple be dropped as it is a hiduvali land.

p.t.o.

The proposals may kindly be approved and the Chief Conservator of Forests be addressed to release an extent of 5 acres out of S.No.17 Manchanayakanahalli for the benefit of Bidadi Middle School.

Connected records accompany.

Sub:- Release of 5 acres and 3 guntas of land in S.No.17 of Manchanaikanahalli village, Bidadi Hobli, Ramanagaram Taluk included in Kumbalgod State Forest for temple and Middle School.

Ref:- Your letter No.M2-PR-89-C-2392/55 dated 15-7-57.
--

The area of 5 acres required for the Bidadi Middle School is included in Kumbalgod State Forest Extension Block of Ramanagaram Range while the area of 3 guntas rproposed to be granted to the Archak of the temple lies outside the above State Forest, but within the buffer zone of 110 yards margin of the 'D' line of the said State Forest. I have no objection to release the area of 5 acres included in the State Forest after obtaining sanction of Government for ~~disforestation~~ disforestation of the same. As regards the other area, while the right over the land vests with the Revenue Department, release of areas for cultivation within 110 years of the D Line is opposed to the rules under the Forest Manual. But in this case the land is required for raising a flower garden only, this department has no objection and further action may be taken by the Revenue Department.
